Internet Grant Program Application

Please fill out the following application and email it, along with a copy of your 501c3, to marketing@socket.net or to your account representative.

Please note that Socket has a limited amount of grants available each year, and filling out this form does not guarantee approval.

Internet Grant Program form must be resubmitted by account holder every 12 months. Account will revert to full retail pricing if form is not updated annually by customer. Please update and resubmit the form 30 days before the current grant has ended to ensure no lapse in account discounts.
